Thanks, Stephen. The remediation summary report has been circulated to ADEQ's project team, and is currently under review. We hope to have any comments to you in the near future. Please let us know if you need anything in the meantime.

Sincerely,

Hi Dianna, Mark,

ADEQ comments by the end of June sounds good. The PRPs have requested a meeting with us in June/July (it will probably be in July). Our site team here will be considering all the gw comments, including previous ADEQ ones from the five year review.

Thanks,

Subject: arkwood remediation summary

Dear Mr. Tzhone:

ADEQ has received the Arkwood Groundwater Remediation Summary that you requested from McKesson. I will forward it to the ADEQ project team for comments. I hope we can have them to you by the end of June. If an earlier time is needed, please let us know. The project coordinator for the Arkwood site is Mark Moix, moix@adeq.state.ar.us, 501-682-0852.

Sincerely,
Dianna Kilburn
